COMMENCING AT 2 P. M.

TERMS OF SALE.

1. The highest bidder to be the purchaser, and if any dispute arises between bidders, the lots so disputed shall be immediately put up again.

2 The goods are sold for cash and must be paid for and taken away the day after the sale. Parties known to us who pay promptly or who may furnish undoubted **commercial** references, may have their goods forwarded for immediate remittance. All others will be notified and their goods forwarded on receipt of the amount due us.

3. **Purchasers unknown to the auctioneer will be required to give name and address to the bookkeeper and make a deposit of twenty-five per cent. of the amount of purchase.** Out-of-town bidders unknown to their agent should send deposit with bids.

4. **In sending bids** always state the highest price you will pay for each lot. We guarantee perfectly fair treatment. It is well to be liberal with lots you really want, and to take chances if you are merely "gunning for bargains." Let us have your bids early, as if someone gets in a bid the same as yours before you do, he (not you), will get the lot.

5. Every coin sold is **warranted genuine.** The Coins are carefully catalogued according to **conditions** by known experts, but accuracy cannot be guaranteed. The following are the principal terms used in describing condition Fair, Good, Very good, Fine, Very fine, Uncirculated, Proof. Thus if a coin is described as Fine it could be three grades better and the same number of degrees poorer but even divided into seven states there may still be a divergence of opinion in regard to condition but no coin can be returned for this reason. Therefore as a check on the cataloguer:

6 The day's lots will be on exhibition on the day of the sale, from 9 A. M. to 12.30 P. M., and every coin can be carefully examined.

7. Special lots can be seen at 36 John St., N. Y., at any time they are not engaged. Out-of-town buyers can have any lots they are specially interested in sent to them for examination by paying charges both ways.

8. Collectors residing out of town can, for the usual commission, employ experts to examine the various lots and bid for them. The auctioneer makes no charge for buying and assumes no liability.

Bids will be faithfully and carefully executed by us for the usual 10 per cent. of the amount purchased, no charge being made unless goods are bought.
